Search Results

Increased usability of search results by improving design, layout and the view item option

The screenshot shows the PRRLA | PRL search results page for the keyword "Lily". The page features a navigation bar with links for INSTITUTIONS, BROWSE COLLECTIONS, EXHIBITIONS, ADVANCED SEARCH, HELP, and ABOUT US. A search bar at the top contains the keyword "Lily". Below the search bar, there are 130 items found for "Lily". The results are displayed in a grid format, with each item showing a thumbnail image, the title, collection, institution, author, and date. A "View Details" link is provided for each item. A "View item at University of Hong Kong's site" link is also present for each item. The left sidebar contains a "FILTER" section with categories: Institution, Collection, Authors, Item Type, and Decade. Each category has a list of items with checkboxes and a scroll bar. A "Clear Filters" button is located at the bottom of the sidebar. The main content area includes a search bar, a "Keyword" dropdown, a "Display" dropdown set to 10, and a "Sort by" dropdown set to Relevance. The results are numbered 1 through 13.
